Two Champions, One Goal!

Crypto for everyone

XBO.com

XBO.com is an exchange platform that makes cryptocurrencies accessible to everyone on both web and mobile applications. Enjoy intuitive interface, basic-to-advanced features, and lightning-fast market updates.

We proud ourselves with fast track for corporate onboarding using our superior services and dedicated team support.

Bank-grade information security

The decentralized nature of cryptocurrencies can be detrimental, if not dangerous, when improperly managed. At XBO, we understand how to implement the latest security practices without taking away an investor's independence. The latest technologies and digital safety standards are the backbone of XBO's ironclad security, including:

SOC 1 Type II
&
SOC 2 Type II
Certified

Exchange crypto with ease

Instantly swap fiat to crypto, crypto to crypto, or crypto to fiat. Depending on your loyalty tier, you can get up to 1% in cashback.

Explore spot trading possibilities

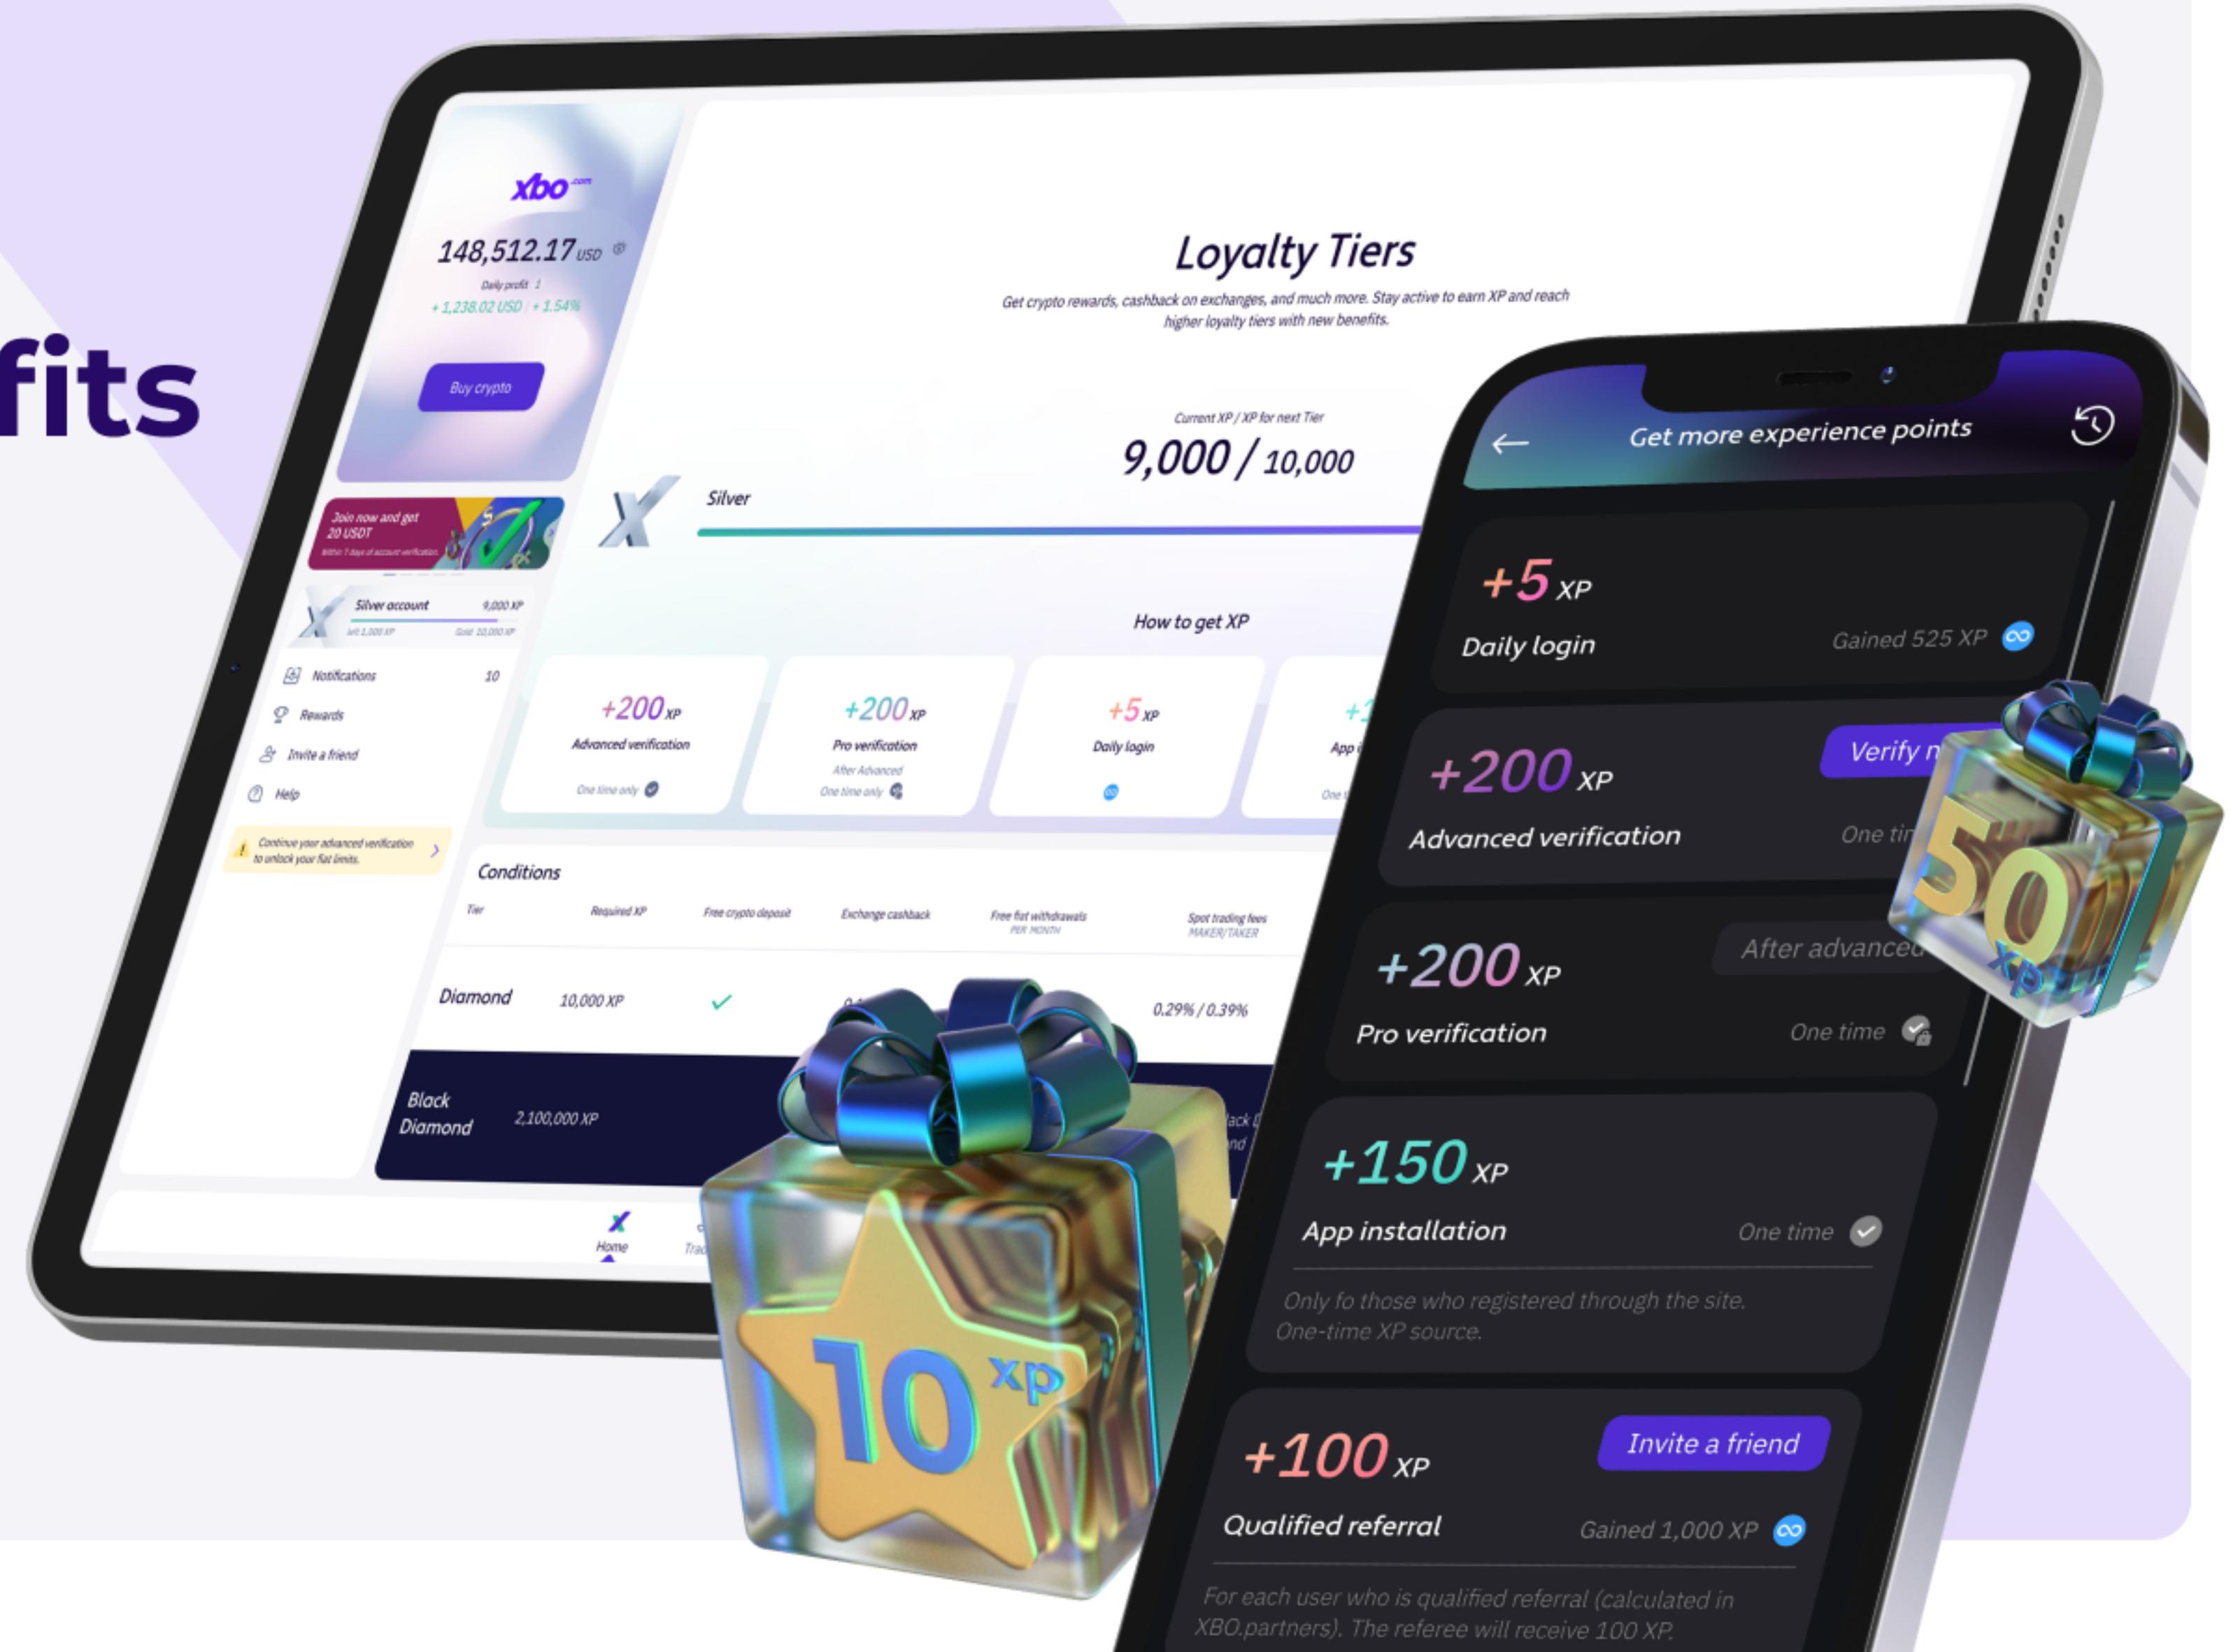

Enjoy the freedom and flexibility of spot trading. Take advantage of the market, stop, and limit orders to enact your crypto strategy when and how you want it.

Reap the benefits of your loyalty

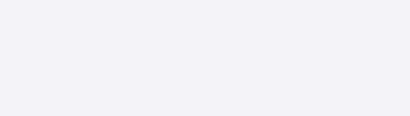

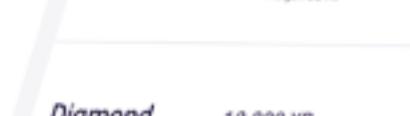

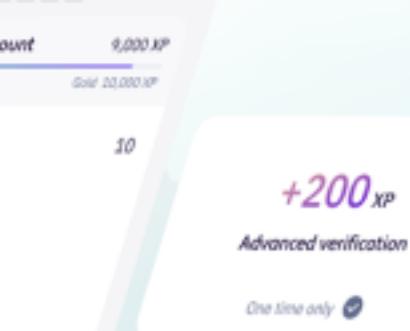

Stay active on XBO.com to collect XP and reach higher tiers of our unique loyalty program. Higher exchange cashback, lower spot trading commissions — these and other perks improve with each ascension.

Loyalty Tiers

Get crypto rewards, cashback on exchanges, and much more. Stay active to earn XP and reach higher loyalty tiers with new benefits.

Manage your funds easily

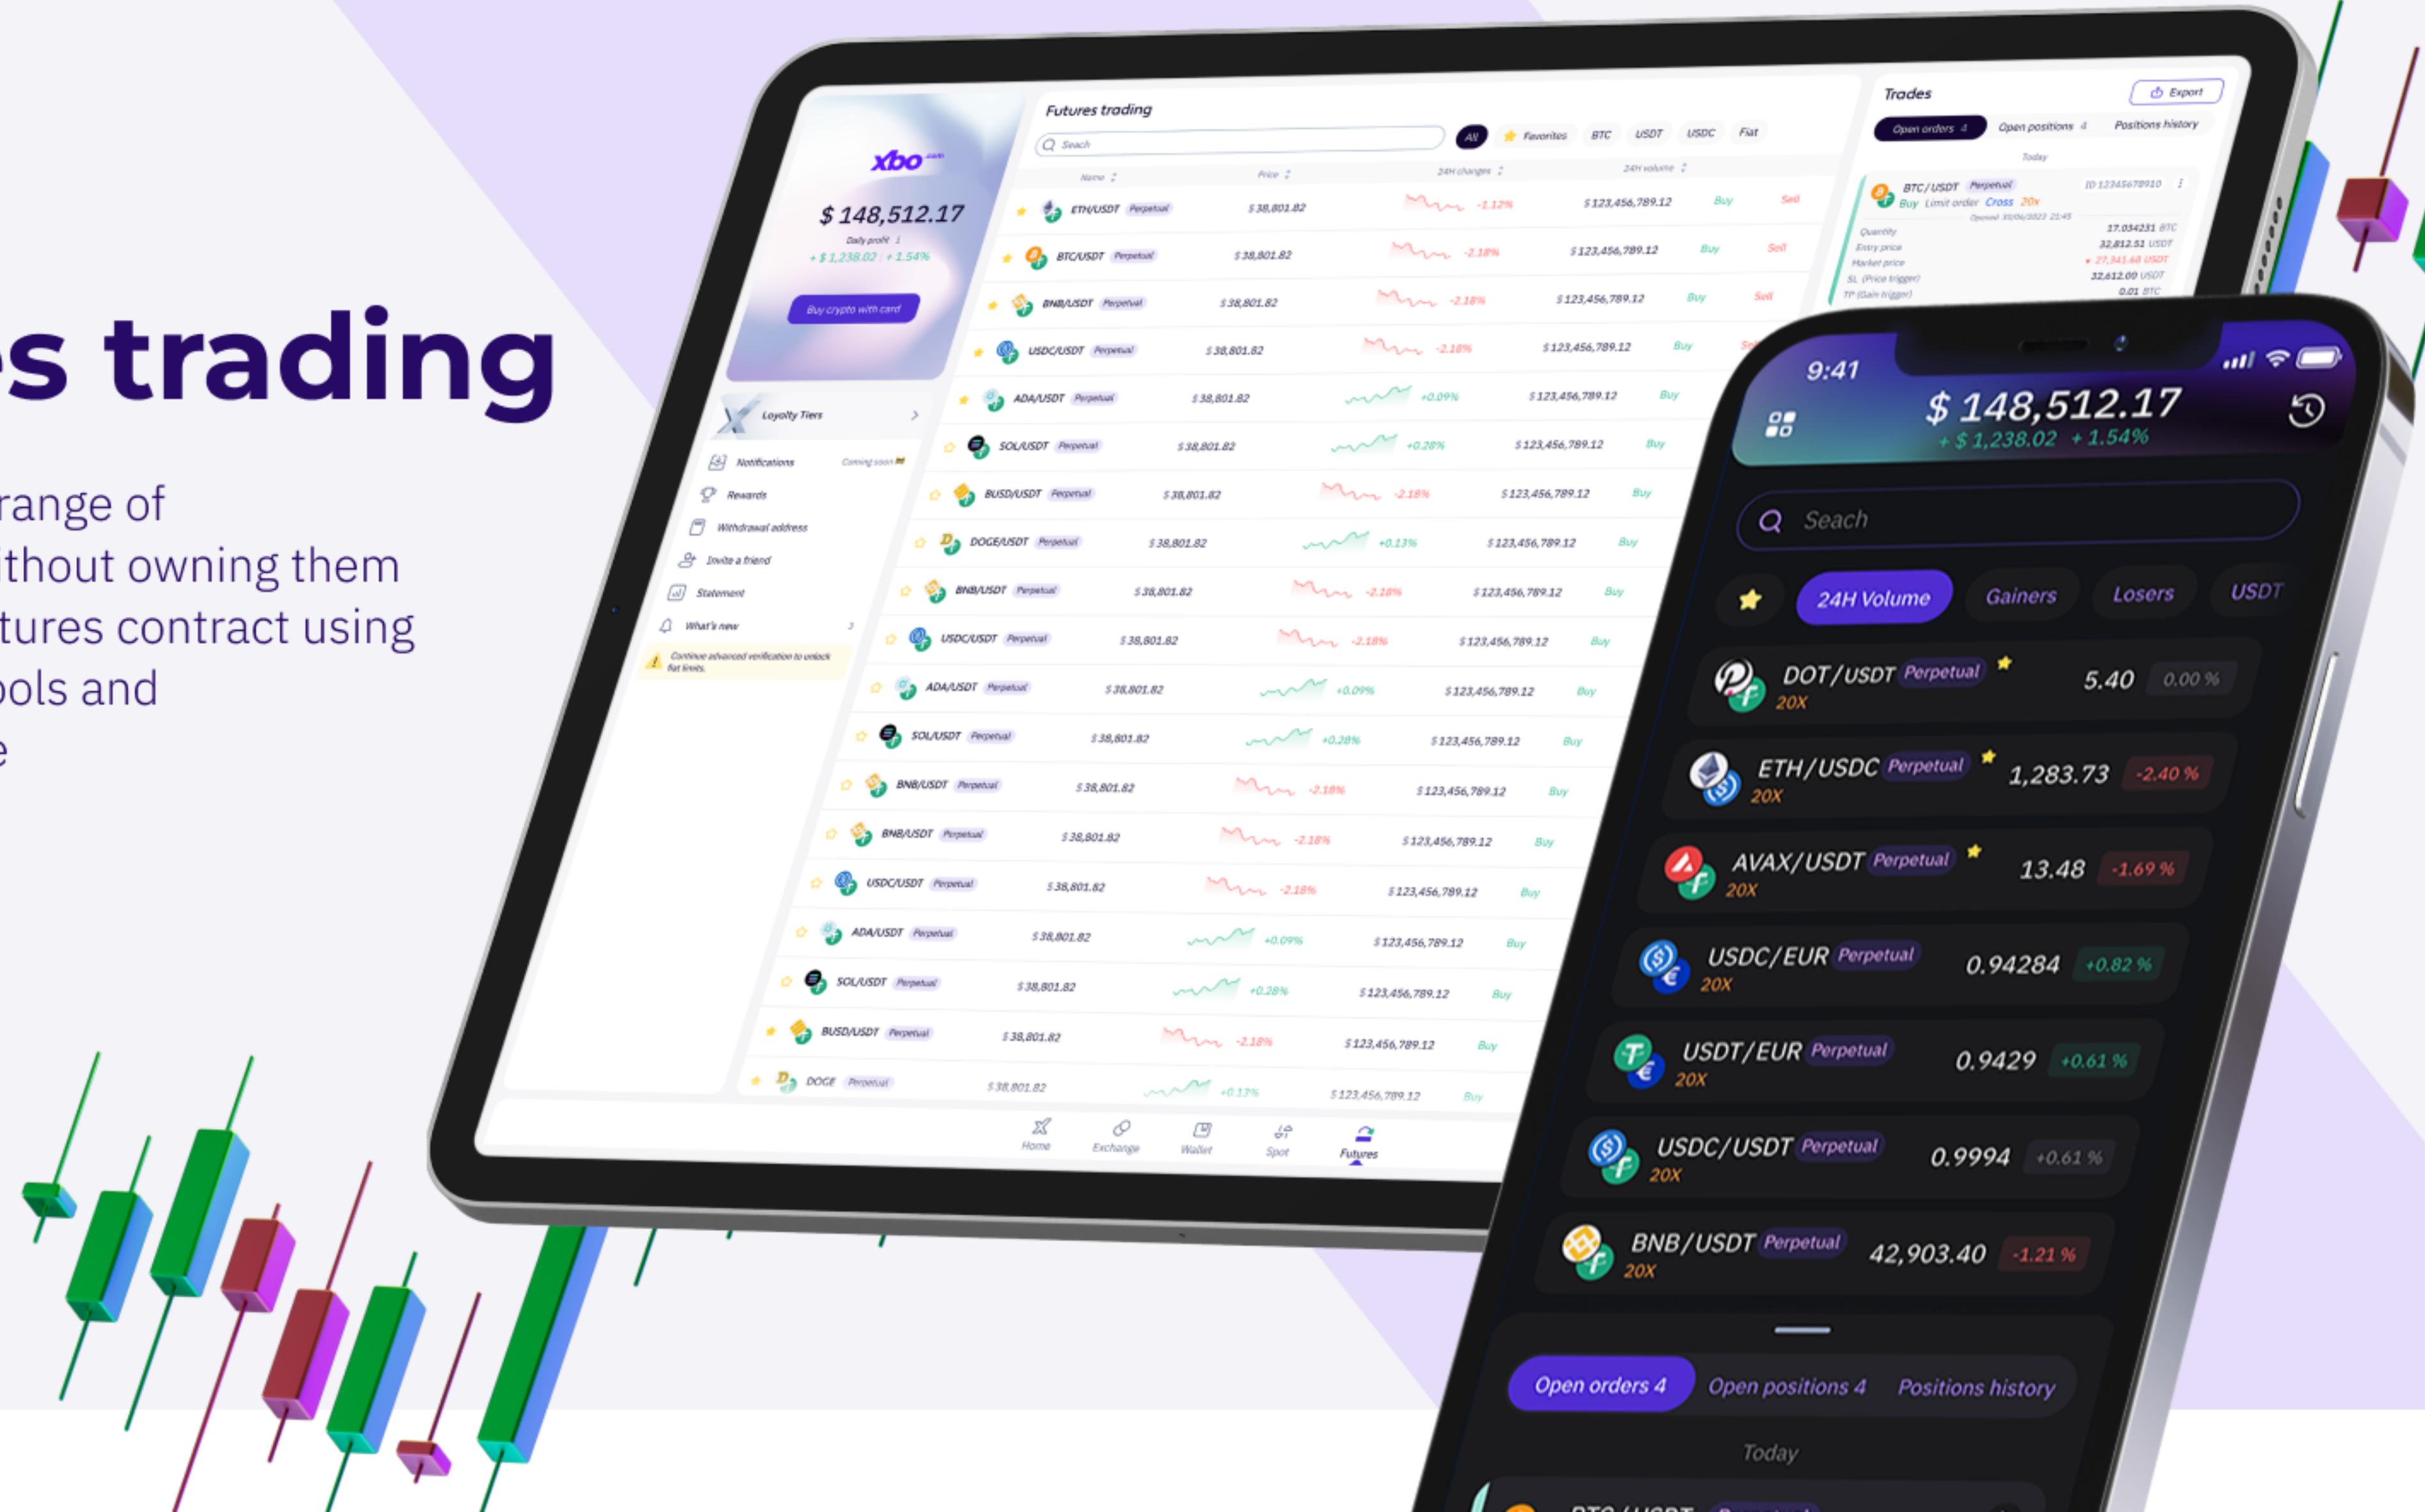

Enjoy easy, intuitive navigation and other features that make crypto accessible to everyone with XBO.com. Execute your strategy using your PC, laptop, tablet, or smartphone with ease. Convert crypto to fiat instantly and withdraw easily and quickly using Bank wire transfer (SEPA).

Futures trading

Gain exposure to a range of cryptocurrencies without owning them with a Perpetual Futures contract using advanced trading tools and up to x100 leverage

Earn

Users can stake popular cryptocurrencies such as **USDT**, **USDC**, **ETH**, **SOL**, and **MATIC** and earn daily compounded interest with APRs of up to 15%. XBO.com offers both **flexible** and **fixed** staking plans with periods ranging from 1 week to 3 months.

The image shows three mobile devices displaying the XBO.com app. The top-left screen shows a summary of a \$200,000.00 stake with a weekly reward of approximately \$8,512.45. The top-right screen shows a list of staking plans for various coins like USDT, USDC, ETH, SOL, and BTC, with APRs up to 0.33% and options for flexible or fixed periods. The bottom-right screen is a promotional overlay for the 'Earn' feature, highlighting up to 15% APR annually on crypto and stablecoins, featuring a piggy bank and a large gold Bitcoin coin.

Total Earn reward
Per week ~\$ 8,512.45

Select the coin you want to earn interest on

Coin	APR	Period	Type
USDT	up to 0.33 %	Flex	Fixed
USDC	up to 0.33 %	Flex	Fixed
ETH	up to 0.33 %	Flex	Fixed
SOL	up to 0.33 %	Flex	Fixed
BTC	up to 0.33 %	Flex	Fixed

My plans

Coin	Balance	APR	Period	Change
BTC	1.69888740	Flex: up to 0.33 %	1 week	+0.000015326
BTC	1.69888740	Flex: 0.25 %	1 month	+0.000015326
USDC	1.69888740	Flex: 0.25 %	1 month	+0.000015326

Earn

Grow your wealth
Earn up to 15% (APR) annually on Crypto & Stablecoins

Earn up to 15% (APR) annually on Crypto & Stablecoins

- 1 Choose the coin you want to earn interest on.
- 2 Set your preferred flex or fixed period and amount. Top up your balance if needed.
- 3 Enjoy Earn rewards and redeem your earnings anytime.

XBO Token

XBO.com is committed to driving mass adoption by offering an innovative, user-friendly, and secure platform. The XBO token is designed to provide value to its holders through a combination of staking rewards, fee reductions, and other incentives.

With a transparent governance model and sustainable growth strategies, the XBO token will play a vital role in the platform's ecosystem for years to come.

Stocks trading

XBO.com allows users to expand beyond crypto and gain exposure to global stocks, indices, commodities, metals, and agriculture, all within a secure and user-friendly platform. Users can trade with leverage, real-time market access, and competitive fees, diversifying their portfolio effortlessly.

Advanced Api

XBO's APIs are designed to meet the diverse requirements of traders, businesses, and developers. Whether you're looking to automate trading, integrate real-time market data, or enable crypto payments for your business, our APIs provide seamless and efficient solutions.

AI Trading robots

XBO.com integrates AI-driven trading bots that automate futures trading based on predefined market strategies. These bots analyze market trends and execute trades according to directional bias (long or short), risk parameters, and selected time frames. By leveraging automation and real-time data, this feature enhances trading efficiency, optimizes market opportunities, and provides a scalable solution for active traders.

Copy trading

Unlock the full potential of crypto and traditional asset trading with XBO.com's Copy Trading. This feature enables seamless replication of expert trader strategies, providing advanced tools for all experience levels. Effortlessly follow top-performing traders and optimize market opportunities directly through your account.

XBO Card

The only card that lets you unlock the value of your digital assets and keep their upside potential
